JAYDE MITCHELL

JDMITCHELL@ALUMNI.BERKLEE.EDU | (970) 442-0108 | GITHUB.COM/JAYDEDM | LINKEDIN.COM/IN/JAYDEM/

Summary: I am a driven, positive, and personable professional always seeking to grow my knowledge and advance in my career. I enjoy working collaboratively with a team but can also be successful working independently. I'm a fast learner and am always grateful for the opportunity to immerse myself with new experiences and be on the edge of innovation.

SKILLS

Programming Languages: Java**,** Python, Ruby*
OS: MacOS, Linux*

Software, Technology, and Practices:

Spring MVC	MySQL	Thymeleaf	Flask

PROFESSIONAL EXPERIENCE

TimTracks   2013 – Present

- **Contributed work on 1000s of tracks that have been distributed worldwide reaching record sales.**
- **Traveled and marketed worldwide,** frequently involved with face-to-face encounters with clients.
- **Integrated new strategies** to reach new and retain high-quality clients.
- Working on **a new website and mobile application launching in Fall 2018.**

Barnhaus   June 2017 – Present

- Co-founded a company with other developers, audio/video production experts, and other working professionals.
- Our first major contract and project is in the works, which is a web site and mobile application featuring a sleek, user-friendly interface, **large searchable database of products, smooth shopping experience, and an automated delivery system**.

P.F. Chang's   2016 – September 2018

- Left the restaurant team **ranked #1 in the company worldwide** in the last month of employment**.**
- Server Lead and frequently at the **top of the national server scorecard**.
- **Trains** new employees.

Community Involvement and Activities:

- **Contracted Music Director**
  - **Financial budgeting, time management, and multi-faceted leadership**. Take a **group of varying ability levels and skill sets and bring them together to meet a single vision together that exceeds expectations**.
- **Volunteer, Good Ground Pantry**
  - In partnership with UMSL, I played a large role in improving environmental efficiency and gaining an understanding of our clientele to provide better opportunities for self-improvement. We've partnered with community gardens to provide work and fresh produce. We also supply several career and social services.
- **Boy Scouts of America, Eagle Scout**
